THOFAS Annual Meeting 2022 Put the Brakes on Foot and Ankle Surgical Complications September 22-23, 2022 at Asawin Grand Convention Hotel

Day 1: September 22, 2022										
			Ro	oom: Phra Siva						
Time	Topic Speaker									
08.00 - 08.15	Registration									
08.15 - 08.30	Opening ceremony									
	Hallux valgus: is correction truly easy?									
	Moderator: Bayornrit Chuckpaiwong									
.30 - 08.45	Hallux valgus: recent advances in pathomechanics and assessment (15 min)	Chakorn Rimchala								
3.45 - 09.00	Hallux valgus surgery: Tip & trick in selection of procedures (15 min)			Bayornit Chuckpaiwong						
0.00 - 09.15	Recurrence hallux valgus: it seems to always return (15 min)			Jirun Apinun						
.15 - 09.30	Hallux varus: can it be treated without fusion? (15 min)	jirun Apinun Jirun Apinun								
9.30 - 10.30	aniux varus: can it de treated without rusion? (15 min) jirun Apinun Sports 1: Primer on sports-related foot & ankle conditions in athlete									
7.50 10.50	Soorts 1: Primer on sports-related root & ankie conditions in atmete Moderator: Songwut Thitiboonsuwan									
.30 - 09.45	Syndesmosis injuries in athlete: controversies and trends in management (15 min) Supachok Rasamimongkol									
.45 - 10.00	Lateral ankle ligament reconstruction: current state of treatment (15 min)	supacnoк казаmimongкoi Adithep Suntichotiwong								
.00 - 10.15	Surgical options for primary Achilles repair: how and why? (15 min)									
		Parinya Maneeprasopchoke								
15 - 10.30	OLT treatment: what does evidence recommend us? (15 min)			Songwut Thitiboonsuwan						
0.30 - 11.00				Coffee break						
1.00 - 12.00										
00 1115	The second secon	Moderator: Aekachai Jaroer	narpornwatana	Provide the state of the state						
00 - 11.15	Loss of reduction after syndesmotic repair: when the rope breaks (15 min)			Pongpol Petchkum						
15 - 11.30	Failed lateral ankle ligament reconstruction: are my playing days over? (15 min)	Aekachai Jaroenarpornwatana								
.30 - 11.45	Failed primary Achilles repair: can power be restored? (15 min)	Pat Chulasiri								
.45 - 12.00	Microfracture failure in OLT: am I digging my own hole? (15 min)	Jirawat Saengsin								
				Lunch break 1 (TRB)						
				Lunch break 2 (TRB)						
2.30 - 13.00	Room: Phra Erawan 1			Room: Phra Erawan 2						
12.00 - 12.30 12.30 - 13.00 Time 13.00 - 13.50	Room: Phra Erawan 1 Topic	Speaker	Time 13.00 - 13.50	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex)	Speaker					
Time 13.00 - 13.50	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix)		13.00 - 13.50 Re	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva	Speaker					
12.30 - 13.00 Time	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix)	Trauma 1: Why	13.00 - 13.50 Rowe need to under	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex)	Speaker					
2.30 - 13.00 Time 3.00 - 13.50 4.00 - 15.00	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix)		13.00 - 13.50 Rowe need to under	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Journ: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery	Speaker					
2.30 - 13.00 Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min)	Trauma 1: Why	13.00 - 13.50 Rowe need to under	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol	Speaker					
Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min)	Trauma 1: Why	13.00 - 13.50 Rowe need to under	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Jom: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul	Speaker					
Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min)	Trauma 1: Why	13.00 - 13.50 Rowe need to under	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich	Speaker					
Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min)	Trauma 1: Why	13.00 - 13.50 Rowe need to under	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj	Speaker					
Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min)	Trauma 1: Why	13.00 - 13.50 Rowe need to under	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva Stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break	Speaker					
2.30 - 13.00 Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 5.00 - 15.30	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siva	Trauma 1: Why Moderator: Akaradech Pital	13.00 - 13.50 Review need to under kveerakul	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj	Speaker					
Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 5.00 - 15.30	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siva Trauma 2: Fractures in foot & ankle are more problematic tha	Trauma 1: Why Moderator: Akaradech Pital moderator: Akaradech Pital	Reveneed to under kveerakul	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation						
Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 - 15.30	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siya Trauma 2: Fractures in foot & ankle are more problematic tha Topic	Trauma 1: Why Moderator: Akaradech Pital	13.00 - 13.50 Review need to under kveerakul	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva Stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation Topic	Speaker Presenter					
7 Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 5.00 - 15.30	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siva Trauma 2: Fractures in foot & ankle are more problematic tha	Trauma 1: Why Moderator: Akaradech Pital moderator: Akaradech Pital	Reveneed to under kveerakul	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation						
2.30 - 13.00 Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 5.00 - 15.30 Time	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siya Trauma 2: Fractures in foot & ankle are more problematic tha Topic	Trauma 1: Why Moderator: Akaradech Pital moderator: Akaradech Pital	Reveneed to under kveerakul	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva Stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation Topic						
Z.30 - 13.00 Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 5.00 - 15.30 Time 30 - 15.45	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siva Trauma 2: Fractures in foot & ankle are more problematic tha Topic Moderator: Thanut Valleenukul	Trauma 1: Why Moderator: Akaradech Pital Maradech P	Reveneed to under kveerakul	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Doom: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation Topic Moderator: Pat Chulasiri						
2.30 - 13.00 Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 Time 30 - 15.30 30 - 15.45 45 - 16.00	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siva Trauma 2: Fractures in foot & ankle are more problematic tha Topic Moderator: Thanut Valleenukul Malunited ankle fracture: how I address and manage? (15 min)	Trauma 1: Why Moderator: Akaradech Pital un you expect!! Speaker Yantarat Sripanich	Reveneed to under kveerakul	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva Stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation Topic Moderator: Pat Chulasiri Fellow papers contest (8 min each/Q&A 2 min)	Presenter					
2.30 - 13.00 Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 5.00 - 15.30 Time 30 - 15.45 45 - 16.00 00 - 16.15	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siva Trauma 2: Fractures in foot & ankle are more problematic tha Topic Moderator: Thanut Valleenukul Malunited ankle fracture: how I address and manage? (15 min) Talar varus malunion: avoiding arthrodesis (15 min)	Trauma 1: Why Moderator: Akaradech Pital In you expect!! Speaker Yantarat Sripanich Thanut Valleenukul	Reveneed to under kveerakul	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation Topic Moderator: Pat Chulasiri Fellow papers contest (8 min each/Q&A 2 min) Effect of Mecobalamin on functional outcome of the complex regional pain syndrome	Presenter					
2.30 - 13.00 Time 3.00 - 13.50 4.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.45 45 - 15.00 Time 30 - 15.45 45 - 16.00 00 - 16.15 15 - 16.30	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siva Trauma 2: Fractures in foot & ankle are more problematic tha Topic Moderator: Thanut Valleenukul Malunited ankle fracture: how I address and manage? (15 min) Talar varus malunion: avoiding arthrodesis (15 min) Malunited fractures around Lisfranc joint: Dr. Pongpol loves to fix them (15 min)	Trauma 1: Why Moderator: Akaradech Pital In you expect!! Speaker Yantarat Sripanich Thanut Valleenukul Pongpol Petchkum	13.00 - 13.50 Rowe need to under kveerakul 15.30 - 17.00 Time 15.30 - 15.40	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) bom: Phra Siva stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation Topic Moderator: Pat Chulasiri Fellow papers contest (8 min each/Q&A 2 min) Effect of Mecobalamin on functional outcome of the complex regional pain syndrome type 1 of foot and ankle	Presenter Krit Rachayont					
2.30 - 13.00 Time 3.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.55 5.30 - 15.30 Time 30 - 15.45 45 - 16.00 00 - 16.15 15 - 16.30 30 - 16.45	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? (15 min) Calcaneal fracture: current treatment strategies (15 min) Room: Phra Siva Trauma 2: Fractures in foot & ankle are more problematic tha Topic Moderator: Thanut Valleenukul Malunited ankle fracture: how I address and manage? (15 min) Talar varus malunion: avoiding arthrodesis (15 min) Malunited fractures around Lisfranc joint: Dr. Pongpol loves to fix them (15 min) Calcaneal malunion: how to heal the heel properly (15 min)	Trauma 1: Why Moderator: Akaradech Pital Myou expect!! Speaker Yantarat Sripanich Thanut Valleenukul Pongpol Petchkum Methee Khongphaophong	13.00 - 13.50 Rowe need to under kveerakul 15.30 - 17.00 Time 15.30 - 15.40	Room: Phra Erawan 2 Topic Workshop 2 (Mediplex) Dom: Phra Siva Stand clearly of foot & ankle pathology in basic trauma surgery Supachok Rasamimongkol Akaradech Pitakveerakul Yantarat Sripanich Tanakorn Jirapanuroj Coffee break Room: Phra Phrom Oral presentation Topic Moderator: Pat Chulasiri Fellow papers contest (8 min each/Q&A 2 min) Effect of Mecobalamin on functional outcome of the complex regional pain syndrome type 1 of foot and ankle Reliability of Weight-bearing Ultrasonography for Assessment of Sesamoid Position and Rotation; A Cadaveric Study	Presenter Krit Rachayont Phatchaya Klongkaew					
2.30 - 13.00 Time 3.00 - 15.00 00 - 14.15 15 - 14.30 30 - 14.55 5.30 - 15.30 Time 30 - 15.45 45 - 16.00 00 - 16.15 15 - 16.30 30 - 16.45	Room: Phra Erawan 1 Topic Workshop 1 (Phoenix) Stabilization in bimalleolar equivalent fracture: is it a dilemma? (15 min) Talus fracture: how I approach and stabilize? (15 min) Lisfranc injuries: fix It, fuse It, or bridge It? THOFAS Annual Meeting 2022 Put the Brakes on Foot and Ankle Surgical Complications September 22-23, 2022

at Asawin Grand Convention Hotel

Day 2: September 23, 2022									
Room: Phra Siva									
Time	Topic	Speaker							
08.00 - 08.30	•	·							
08.30 - 09.30	Registration Deformity 1: Providing thorough basic knowledge in management								
	Moderator: Sukij Laohajaroensombat								
08.30 - 08.45	Adult acquired flatfoot deformity: how to assess this difficult problem (15 min) Sukij Laohajaroensombat								
08.45 - 09.00	Progressive collapsing foot deformity: revisiting the stage and treatment of adult flatfoot deformity (15 min)			Krit Prugsawan					
09.00 - 09.15	Stage 2 adult acquired flatfoot deformity: controversies in defining the best procedures (15 min)			Theerawoot Tharmviboonsri					
09.15 - 09.30	Stage 4 adult acquired flatfoot deformity: pragmatic approach to treatment (15 min)			Marut Arunakul					
09.30-10.30		Deformity 2: Solving the	he problem once	and for all					
	Moderator: Marut Arunakul								
09.30 - 09.50	·	Failed adult acquired flatfoot reconstruction: how to deal with and restore? (20 min)			Marut Arunakul				
09.50 - 10.10	Cavovarus foot deformity: framework for guiding management (20 min)			Jakrapong Orapin					
10.10 - 10.30	Failure of surgical treatment in cavovarus foot deformity: what is the solution? (20		c 1 1	Jirawat Saengsin					
10.30 - 11.00									
11.00 - 12.00									
11 00 11 15	Ankle arthritis: current strategies for assessment (15 min)	Moderator: Tanawat Vaseenon	1	Tanawat Vaseenon					
11.00 - 11.15 11.15 - 11.30	Joint preserving procedures: breaking bone to save joint (15 min)			Thos Harnroongroj					
11.30 - 11.45	Ankle arthrodesis: making nonunion a thing of the past! (15 min)			Jirawat Saengsin					
11.45 - 12.00	Total ankle replacement: principles and recent developments (15 min)			Pisit Boonma					
12.00 - 12.30									
12.30 - 13.00	· /								
	Room: Phra Erawan 1 Room: Phra Erawan 2								
Time	Topic	Speaker	Time	Topic	Speaker				
13.00 - 13.50	Workshop 3 (Taise)	•	13.00 - 13.50	Workshop 4 (Arthrex)	•				
	Room: Phra Siva			Room: Phra Phrom					
14.00 - 15.00	Arthritis 2: Failed total ankle replacement: is the sky actually		14.00 - 15.00	Complicated sports-related case					
Time	Topic	Speaker	Time	Topic	Panelist				
4400 4445	Moderator: Tanawat Vaseenon	m) II .	1400 1400	Moderator: Korakot Maliwankul	4.34				
14.00 - 14.15	Pearls and Pitfalls in total ankle replacement for young surgeons (15 min)	Thos Harnroongroj	14.00 - 14.20	Syndesmosis cases (20 min): Korakot Maliwankul	1. Marut Arunakul				
14.15 - 14.30	Painful TAR: how can I handle it? (15 min)	Chayanin Angthong	14.20 - 14.40	Ankle ligament cases (20 min): Apisan chinanuvathana	2. Chatchavan Charoenthamruksa				
14.30 - 14.45 14.45 - 15.00	Failed total ankle replacement: early experience and my techniques Osteolysis after TAR: sinking ship without signal (15 min)	Chamnanni Rungprai Tanawat Vaseenon	14.40 - 15.00	OLT cases (20 min): Pramote Thanasupakornkul	3. Jirawat Saengsin				
15.00 - 15.30	Osteolysis arter TAK: Shiking ship without signar (15 hilli)		fee break						
15.30 - 16.30									
Time	Topic Speaker			Topic	Panelist				
Time	Moderator: Chatchavan Charoenthamruksa	Speaker	Time	Moderator: Thanut Valleenukul	i unclist				
15.30 - 15.45	Peroneal tendon repair should be simple: why does pain persist? (15 min)	Chatchavan Charoenthamruksa	15.30 - 15.50	Ankle fracture cases (20 min): Thanut Valleenukul	1. Tanawat Vaseenon				
15.45 - 16.00	Vacuum dressing: evidence-based & application in foot & ankle surgery (15 min)	Satetha Vasaruchapong	15.50 - 16.10	Talus fracture cases (20 min): Supachok Rasamimongkol	2. Korakot Maliwankul				
16.00 - 16.15	VTE: do I have to concern in foot & ankle surgery? (15 min)	Pongpanot Sornsakrin	16.10 - 16.30	Calcaneus fracture cases (20 min): Akaradech Pitakveerakul	3. Thos Harnroongroj
